DISTRICT BANK LTD., Fallowfield.

*Secretary :*

Miss ANGELA LOPEZ

(Telephone—Rusholme 4007).

## ANNUAL MEETING

held in the

LORD MAYOR'S PARLOUR, TOWN HALL, MANCHESTER,  
on Friday, July 4th, 1930.

---

The Rt. Hon. the Lord Mayor of Manchester, Councillor R. Noton Barclay, presided at the Meeting.

The Secretary read a list of apologies for absence, and the minutes of the meeting held on June 21st, 1929, were confirmed.

Mr. C. E. R. Abbott, the Chairman of the Hospital, in submitting the Annual Report, referred to the success of the new Out-Patients' Department and the limited accommodation in the Hospital.

The following resolution was proposed by Mrs. Lancashire, seconded by Mr. Noel Smith, and carried :—

“ That the Annual Report and Balance Sheet now submitted to the meeting be approved and adopted.”

The Lord Mayor in supporting the resolution, owing to the unavoidable absence of Miss Ellen Wilkinson, M.P., spoke of the wonderful success which attended the work of the Hospital in caring for infants who otherwise would undoubtedly perish.

The following resolution was moved by Lady Rochdale, seconded by the Rev. C. S. Kirkpatrick, and carried.

“ That the members of the Board and the Hon. Officers are hereby elected for the ensuing year.”

The following resolution was proposed by Mr. T. F. Heyworth, seconded by Miss Margaret Ashton, and carried unanimously :—

“ That the cordial thanks of the Hon. Officers and the Board be extended to James A. Hulme & Co. for their work as Hon. Auditors during the past year.”

On the motion of Dr. Chisholm, seconded by Col. Goldschmidt, a very hearty vote of thanks was extended to the Lord Mayor and Lady Mayoress for their kind hospitality and the loan of the Lord Mayor's Parlour.

The meeting then adjourned.

## ANNUAL REPORT .

for the year ending March 31st, 1931.

**T**HE past year has not been uneventful in the history of the Hospital. Many improvements have been made with the object of increasing its efficiency, and steady progress has resulted.

The Out-Patients' Department has now completed its two experimental years and has proved itself to be of great value, not only to the patients, but to the Hospital and the surrounding neighbourhood also. The number of new patients has increased during the last twelve months from 466 to 668 and the number of attendances from 1,325 to 2,913. In order to meet the requirements of the department a larger waiting room has been opened, and a small recovery ward for Tonsil and Adenoid operations, suitably equipped, has been provided. The small Operating Theatre has been refitted and decorated, and is now heated by means of the Tubular Electric system. These alterations and improvements will greatly facilitate the work of the Doctors in dealing with this growing department of the Hospital, until such time as it is found possible to construct a new out-patients' building. So far the Department has not encroached upon the general funds of the Hospital, as, with the help of generous special donations and its own income, it has been self-supporting, but additional help from patients receiving treatment is urgently needed, so as to avoid increasing the burden of the Hospital.

The Board is pleased to report the satisfactory working of the Laundry, consequent upon its reorganization, under the direction of the Architects, Messrs. Bradshaw, Gass and Hope. New machinery, including a Bradford's two roller calendering machine, has been installed. The whole of the heating of the Hospital, the administration

blocks, the Laundry, and the domestic water supply, has been centralized and is now served by one new boiler. A fully-equipped modern Laundry is essential to the proper working of a babies' hospital and the Hospital is at last possessed of one, which is capable of dealing efficiently with ever-increasing demands upon it. The cost of this urgent and necessary work amounted to upwards of £2,200 and made a heavy demand on the Hospital resources in the present difficult times. In order to assist in meeting this expenditure the Hon. Secretary successfully undertook the raising of £500. She wishes to take this opportunity of thanking all those who gave her donations. Moreover, the Board desires to acknowledge with gratitude the generosity of Miss Ruth Draper, who gave her services at a *matinée* at the Manchester Hippodrome, on the 11th July, the proceeds of which amounted to nearly £500. The thanks of the Board are also due to Sir Oswald Stoll, for the loan of the theatre, to the Resident Management of the theatre for their assistance ungrudgingly given, and to the Secretary and her staff for carrying out the arrangements in the short space of a fortnight.

The Butterfly Guild is again to be congratulated on the results of its efforts, and the Board thanks all those workers, who, under the leadership of their Chairman and Hon. Secretary, Mrs. Blight and Miss Lopez, are doing much to increase the interest in the Hospital, and very materially to assist in its finances. The Guild has handed over the sum of £250 to the Hospital during the past year and is justly proud of its work. Its most successful scheme was the Christmas Stocking collection, which alone raised £125. No fewer than 1,000 stockings were distributed by the Secretary and many small amounts were collected by children in this way.

The thanks of the Board are due to Miss Peggy Blaikie for the efficient manner in which she has fulfilled her arduous

duties in collecting the Birthday Cot Boxes in seven different districts around Manchester. Miss Blaikie and her car give most valuable service to the Hospital, which is much appreciated. Thanks are due to the following ladies, who also make district collections : Miss Orr and Mrs. Leask (Prestwich), Miss Andrews (Brooklands); Mrs. Kirkpatrick (Withington and Fallowfield); Miss Jones (Prestbury); Miss Daniels (West Didsbury); Miss de Lange (Hale); Mrs. Quas-Cohen (Bowdon); Mrs. Pitty (Romiley and Marple); and Mrs. Turner (Levenshulme).

The Board wishes to record its appreciation of the work done by the Matron in coaching Probationers for the preliminary State Examination and to congratulate her on the continued success of her candidates. The Board also thanks her and her staff for the high standard of nursing efficiency maintained. Similarly, the appreciation of the Board is recorded of the efficient manner in which the administration of the Hospital is carried on by the Secretary and her staff. The increasing departments of the Hospital and the many alterations and improvements carried out during the year have laid additional work and responsibility on the department without increase of staff.

Grateful thanks are also given to the following for their services and gifts during the year :—

To the members of the Hon. Medical Staff, for their devoted attention to patients.

To all Subscribers and Donors and all those who have contributed gifts, silver paper and knitting.

To the Hon. Auditors, for their work during the year.

To Mr. and Mrs. C. E. R. Abbott, for their gift of a grand piano for the Nurses' Home.

To the Rusholme Repertory Theatre, for Matinée Tickets.

\* 20 cases died within 24 hours, 16 cases died within the first week.

As will be seen from the above figures, the Hospital has been nearly full all the year. The turn-over has been increased and the cots usually kept for emergency cases have been in full use, so that in some instances emergencies unfortunately have had to be refused. It is obvious that there is still a greater demand for more beds for children of the age taken by our Hospital, and particularly for those children over one year of age. Although the incidence of rickets in Manchester is apparently going down, there are, every year, many severe cases which need immediate treatment.

We again draw attention to the low incidence of infectious diseases. Five different infectious diseases were introduced into the hospital at various times, but the total number of cases of infection was only twenty. In a hospital dealing with such young infants only constant care can ensure so low an incidence of infection.

The Out-Patients' Department, which opened last year, has increased rapidly. This has necessitated the improved accommodation which was provided a few months ago. The new waiting-room and the small theatre, where minor operations can be performed, together with its attendant recovery room, are a great help. The massage department has benefited by the provision of more room for waiting patients, as the number of children sent in for Sunlight and Massage treatment steadily grows. In this connection the Medical Staff wish to express their appreciation of the energy and resource of Miss Lopez in carrying through the alterations so efficiently, expeditiously, and cheaply.

The usual lectures to nurses have been given by Drs. Chisholm, McCrea, Somerford and Campbell.

The floating beds were held in the first part of the year by Drs. Osborne and Lochore and in the latter part by Drs. Patterson and Campbell.

The departure from Manchester of Professor Shaw Dunn is very much regretted by the Medical Staff. His kindness in directing our pathological investigations has been greatly appreciated. To Mrs. Shaw Dunn, who has acted for many years as our Honorary Secretary, we owe particularly grateful thanks. Her assistance in many directions has been of inestimable value.

The Medical Board, through its reorganization, regrets to have lost several members, who have for years given us their valuable assistance and advice. The increasing size of the hospital has led to the Medical Board being confined to members of the Honorary and Consulting Honorary Staff, but though this change was necessary, they will for long feel the loss of their late colleagues.

The Medical Staff again wish to acknowledge their indebtedness to the Board and to record their very high appreciation of the work of the Matron and Nursing Staff.
